Branches at Nairn, Tain, Fort William, Dingwall and Wick

Foreword

This year brings the "Highland" to its Tenth Two-Day Trial, with a record entry of 80 riders from Leeds northwards, some of whom are newcomers to Inverness, although not, perhaps, to our hills, as many have previously sampled them in the "Scottish"

To those newcomers we say "Welcome May this be the first, but not the last trip to the 'Highland'"

The hills are as last year, although the sequence has been altered a little, and are all in good trim, even if the weather has been rather dry and we feel the boys will enjoy themselves

And so, to the new lads, "good luck!" and to our regulars — "Dig in, boys, and hold your own"

OFFICIALS AND COMMITTEE

R. White, J. B. Greenlees, W. Munro, M. Bottom, R. Smart, D. Geddie
and A. K. Robertson.

Secretary of Trial and Clerk of Course:

R. A. MACKENZIE

Route Marker — A. McAFEE

S.A.C.U. Stewards — J. F. BIRRELL, J. THOMSON

The Committee wish to thank the following landowners for kindly granting permission to use their ground during the Trial —

The Inverness Town Council, the Forestry Commission, Mr Ellice, Aberchaldar, Invergarry, Mr M Baillie and Mr Hughes, Dochfour, Mr MacDonald, Convinth, and Mr Grisewood, Inverarnie

FOR A WINNING PERFORMANCE CHOOSE

The TRIUMPH HERALD

With Independent Suspension on All Four Wheels

Separate Chassis for Strength and Safety

Made-to-Measure Driving Position

Control-Tower Visibility

25-foot Turning Circle

And many other "super-safety" features
